

# WEAR-AND-SHARE FRIENDSHIP BRACELETS

**Color** the bands below—use our designs, or create your own! Cut out and share one or more with a friend. **To wear**, measure by wrapping around your wrist. You may need a friend's help! Note which dotted line on End B matches up to the notch on End A. Remove the bracelet and cut a slit on the correct dotted line. Fold the wings of the tab so you can insert it into the slit. Unfold the wings to secure. (Fold and remove tab to wear again!)
