

OTTER BOOKMARK

If you complete this activity, log another hour of reading in Read City USA's 2022 reading voyage, Oceans of Possibilities. Together, Knox County will read one million hours!

Color and cut out your otter bookmark pieces. To assemble, attach the ears, back legs, tail, and belly (on top) to the body. Lastly, attach the front legs only at the shoulders, leaving the paws free to hang over a book page!
