# Create Your Own Avatar

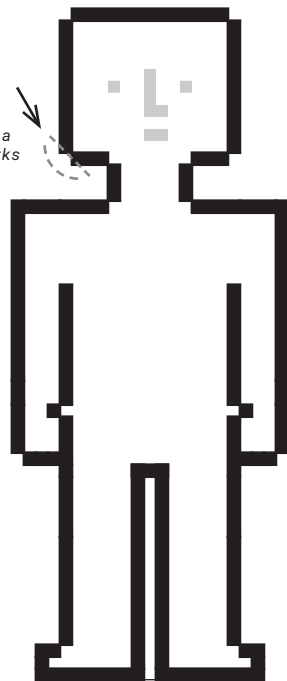

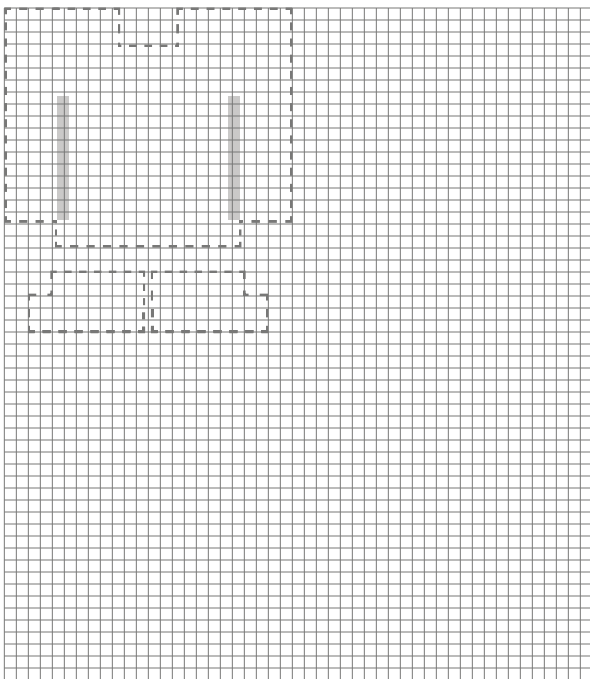

1) Color and cut out your character. Add features and details to bring them to life!

2) Using the grid below as a guide, create an outfit. Cut out and adhere to your figure.

3) Fold the stand on the dotted lines into a triangle shape. Adjust so your character leans back slightly, then secure.

When you complete a Read City craft, check off a mission and move ahead one space in the Daring Deeds adventure game.
